

PICK & MIX HOMEWORK

Year 5 Homework Menu: Spring Term 2, 2024 – Early Islamic Civilisations

Every day:

- 10 minutes (or more) of reading
- 5 minutes discussing what you have read
- 5 minute chat about what you have learnt that day

Pick & Mix

Choose 1 item per week to complete in your homework book.

Completed tasks can be photographed and uploaded via ClassDojo, so that your class teacher can see your amazing work.

Literacy

Look up facts about William Shakespeare and write a fact file/biography about him. It should include facts about his life, his famous plays/poems, as well as a drawing of what he looked like.

Science

We are learning about insulators and conductors. Look around your home can you identify any materials that you might use as an insulator? Take a picture or write notes to describe it. Ask an adult to post the picture on class dojo.

Maths

Can you find the volume of different objects in your house. Draw the object into your homework book and show how you worked out the volume.

Make sure you practise your times tables at least 10 minutes every day to keep on top of the game!

Reading

Think about your favourite part of the book you are reading. Create a comic book strip to show the events that have happened throughout one part, or chapter of the story.

Art

Children to research and identify and draw some of the different forms of Islamic art and say what object you think the art could be used on.

PSHE

Children to create a guide on how to live a healthy lifestyle. This could be a poster, leaflet or a video guide.

History

Using information from your Knowledge Organiser, create a wordsearch using the key vocabulary for this topic.
