Dear Valence parents and carers,

As you may have noticed, the ex-caretaker's house on the Bonham Road Site has been renovated. We are very excited about the prospect of using the house in a variety of ways for the pupils, families and community of Valence. Staff have been thinking about how we can make the best use of the space and we have involved the school council from both school sites too.

We now want to invite the whole school community to have your say about what could happen in the house and garden. Ideas so far have included:

- a small garden allotment for parents and children to grow vegetables together;
- a space for families to learn to cook together;
- a space for different classes for parents.

You are invited to submit your contribution by writing your ideas down, designing a poster, or making a labelled drawing of the house that inspires us as we move forward. We are also asking for suggestions for a name for the house that catches what we want to achieve.

Please hand in your contribution to the school offices by Monday 12th November. There may be prizes for the best entries!

Best regards

Richard November
Executive Headteacher
