8th November 2018

Dear Parents and Carers,

Year 1 have been thoroughly enjoying their topic of TOYS. Next week we are going to be having a special **TOY DAY**.

The children will be allowed to bring in one toy on **Thursday 15th November**. Please do not send the children in with any expensive or electrical toys.

During the day the children will be completing fun activities with their special toys.

Please note that the children **will be** in school uniform on this day.

Thank you in advance for your co-operation.

Kind regards,

The Year 1 team 😊
