

PICK & MIX HOMEWORK

Year 5 Homework Menu: Spring Term 1, 2025 - Population Change

Per week:

- 10 minutes (or more) of reading at least 5 days a week.
- 5 minutes discussing what you've read
- 5 minute chat about what you have learnt that day
- Spelling Homework

Pick & Mix

Choose 1 item per week to complete in your homework book.

Completed tasks can be photographed and uploaded via ClassDojo so that your class teacher can see your amazing work.

Literacy

Think about people from around the world and what they bring to our local community when they come to live here. Imagine your meeting a refugee for the first time, what would you want to show them about your culture? What would you want to learn about their culture? Write a dialogue between you and this person asking them questions.

Bonus – research a culture and write their responses using what you have learned.

Music (January Challenge)

Find some instrumental music, any type of music. It could be familiar music, perhaps from well-known films or artists. Play the music, not too loudly, and write down words inspired by the music. Write the piece of music you listened to and the words you thought of in your book.

Maths

Complete sheets on Google Classroom.

The Usual Stuff!

- Remember to keep on top of the game through Times Tables Rockstars
- Do Top marks daily exercises frequently.

PSHE (January Challenge)

Imagine you have all of the people who have ever inspired you in your contacts list (friends, family and famous people through the ages). Write a message, a picture or write a letter to one of them letting them know why they are inspirational and what they have inspired you to do.

French

Learn the numbers 1-20 orally and written.

Reading

Write an interview or conversation between you and the main character of a book you are reading. Be sure to write detailed responses for the character.

Geography

Create a fact file about a country that is special to you family i.e. a Country where your family have lived, a country you go to on holiday, where your family would like to visit.

Science

Look around your house, to see what reversible and irreversible changes you can find. Draw an example of one in your book and explain what type of change it is.
