

VALENCE PRIMARY SCHOOL

is taking part in

NO MOW MAY!

This May, we're letting
nature grow wild!

Why are we doing it?

- Helping bees and pollinators find food
- Supporting local wildlife
- Making our school grounds even more beautiful and biodiverse

How can you join in at home:

- Skip mowing your lawn for the month of May
- Watch for wildflowers like daisies and dandelions
- Create little wild areas in your garden

Together, we can make
a big difference!

Let's watch our green
spaces come alive!
