November 2024

Dear Parents/Carers

BBC Children in Need 2024

The BBC Children in Need Charity will hold its fundraising day in November. In support of this event, we will be encouraging children to wear something yellow or spotty, or both on Friday 15th November 2024

We would greatly appreciate any donations, which you would be able to give towards this worthy cause. Every single penny will make a real difference, and all monies donated will go towards helping disadvantaged children and young people, here in the United Kingdom.

We thank you in advance for whatever contributions you are able to make and look forward to seeing your children in yellow/spotty or both, on Friday 15th November.

Kind regards,

Hannah Dann
Children in Need Co-ordinator
