Dear Parent/Guardian

Invitation to our Online Safety Parent Workshop at Valence we are totally committed to the digital safety and wellbeing of our students.

As part of this we are running a workshop dedicated to helping parents understand the risks their children face in their online lives and the practical things parents can do to help their children. Please join us for this interactive workshop with Gillian Bratley, Lead Advisory Teacher for ICT for the Borough of Barking and Dagenham.

We will provide you with lots of valuable insights and tools. Including:  
Information on the latest apps and games your child may have access to.  
The harmful content your child may be exposed to.  
How you can help your child to safely navigate online risk.  
How to access resources on the U.K Safer Internet Centre with dedicated guidance for parents.  
An introduction to a parental app that allows you to control what your child sees online, if they are at risk, plus other important features.  
Question and Answer opportunities.
