1st November 2022

Dear Parents/Carers

BBC Children in Need 2022

The BBC Children in Need Charity will hold its fund raising day in two weeks. In support of this event we will be encouraging children to wear something yellow or spotty or both on **Friday 18th November 2022**

We would greatly appreciate any donations which you would be able to give towards this worthy cause. Every single penny will make a real difference, and all monies donated will go towards helping disadvantaged children and young people, here in the United Kingdom.

We thank you in advance for whatever contributions you are able to make, and look forward to seeing your children in yellow/spotty or both, on Friday, 18th November.

Kind regards

Hannah Dann
Lead Teacher
