Date: 12.09.2022

Dear Parents/Carers,

We are very fortunate to have The Sycamore Trust coming in to talk to parents about a range of services they offer. The services are designed to help and support children and adults on the Autistic Spectrum and people with learning disabilities.

This will be an information sharing talk, where they will be able to provide some additional guidance on what they offer as an organisation. For example, Information on Autistic Spectrum Condition and Learning Disabilities, education issues, support in filling out forms, providing support groups and additional training.

Date: 7th October 2022

Time: 11-11.45

Location: Bonham Gym

Please feel free to attend this session and if you have any questions, please do not hesitate to ask a member of the SEN team.

Kind Regards,

SEN Team
