Dear parents and carers of children in Year 6,

Re: Preparing for choosing a secondary school for your Year 6 child

The time has come for you to consider which secondary school you would like your child to join next September as they start Year 7. Whilst the process can seem daunting, we aim to provide you with the information you need to make an informed choice.

This year we are delighted to be able to offer you the opportunity to visit our school, to learn about our vision and our ways of working, and then to see our school as you take a tour of our secondary site.

We will also be offering a wealth of information on our school website as we know that, for many, this may be a preferred way of sourcing the information you need to inform your choice. From the Principal's welcome talk to a virtual tour of the school, we aim to ensure you have access to just as much information via our website as you would on a visit to the school.

Open Evening will take place on **Monday 20th September**. This year we will be asking you to **book a time slot for your visit** to the school. Your visit will include a welcome meeting in the Main Hall which I will lead, you will then be offered the opportunity to have a tour of the school site. For the comfort and safety of everyone, we will be limiting the visit to two adults and one child per family group and we will be recommending that you wear a mask. We remind you that you should not attend if you are unwell or display any symptoms of Covid.

Please book your place via this link: <https://calendly.com/srs21/openday>. If you experience any problem with the booking form please contact office@sydneyrussellschool.com and we will be able to assist you.

I look forward to meeting you and welcoming you to our school.

Yours faithfully,

Clare Cross

Acting Principal
