Dear Mr Nicholson,

On Thursday 23rd September we will be holding our annual Open Evening from 6.00pm to 8.15pm at our Green Lane site.

The purpose of the evening is to show parents with children in Year 6 the opportunities available at Robert Clack School. Parents/Carers will be able to meet Robert Clack staff, view our facilities and see a dynamic and successful school in action.

School information packs will be available on the evening, and the Headteacher's presentations will be given at 6.15pm and 7.00pm. During the evening, all parents will be given the opportunity to tour the school to see all subject departments at work at both the Green Lane and Lymington Sites. Staff will be available from all areas of the school and will be more than willing to discuss the work of the school and any specific questions parents may have regarding their son/daughter's application for a place at Robert Clack.

I would be grateful to you for publicising this event amongst your parents/carers and pupils. If any parents/carers require any further information about the Open Evening or about the school itself, please ask them to telephone the Green Lane site office.

Yours sincerely,

Mr R Taylor
Headteacher
