Dear Parents/Carers,

In Year 6, we have been studying Michael Morpurgo's book, 'War Horse' as the basis for a series of writing and reading comprehension tasks.

Next week, we would like to show the children the film adaption of the book as a treat to fully compliment and consolidate their learning. Please confirm your agreement - the film has a rating of 12 because it contains, 'infrequent moderate battle violence'.

Please inform the school office **ONLY if you DO NOT** wish your child to take part in watching this film in class as part of their literacy lesson. An alternative provision will be available for children not watching the film.

Kind regards
Mrs Williams and the year 6 Team
