14 September 2022

Dear Parent/Carer,

On Thursday 22nd September 2022 we will be holding our annual Open Evening from 6.00pm to 8.15pm on the Green Lane site.

The purpose of the evening is to show parents with children in Year 6 the opportunities available at Robert Clack School. Parents/Carers will be able to meet Robert Clack staff, view our facilities on both the Green Lane and Lymington Fields sites and see a dynamic and successful school in action.

School information packs will be available on the evening, and the Headteacher's address will be given at 6.15pm and 7.00pm on the Green Lane Site (please be aware that there is no parking available for parents on this evening). During the evening, all parents will be given the opportunity to tour both of our sites to see all subject departments at work. Staff will be available from all areas of the school and will be more than willing to discuss the work of the school and any specific questions parents may have regarding their son/daughter's application for a place at Robert Clack School.

If you require any further information about the Open Evening or about the school itself, please telephone the Green Lane site office.

Yours sincerely,

Mr R Taylor
Executive Headteacher
